

We Need You to Help Make Democracy Work!

The League of Women Voters of Comal Area invites **you**
to help us on the following projects in 2011-12:

❖ “Engaging Young Voters”

Help us mount a voter registration campaign in the high schools of Comal County.

Goal: 90% of all eligible 18 year olds registered to vote in January 2012.

❖ “Federal Role in Public Education”

Be part of a national study of federal school funding policies and standards. Are changes needed? Members will learn, discuss, and help decide the position of LWV United States regarding the role of the federal government in public education.

❖ “County-wide Groundwater Conservation District”

Help advocate for a groundwater conservation district in Comal County which will protect the Trinity Aquifer for the current and future users of this vital water resource.

Benefits of Membership

- Meetings on public policy topics like historic preservation in Comal County, water resources in Texas, and the effects of privatization of government functions.
- The opportunity to help decide the position of LWV on two national issues and one state issue this year. (We use a process of study, discussion, and consensus.)
- Voter Service information through *Voters Guides* and Candidate Forums.
- Fun events like our fall auction, theater night at Circle Arts Theatre, and Annual Meeting dinner.
- Newsletters from local, state, and national levels of LWV to keep you informed.

For More Information
