**TESTIMONY  
SB 1472  
House Committee on Environmental Regulation  
April 29, 2009**

The League of Women Voters of Texas SUPPORTS SB 1472 by Senator Gallegos. It simply requires that any hearing held by the TCEQ on a permit must be attended by the applicant or his representative. This representative must make a reasonable effort to respond to questions relevant to the permit application at the meeting.

This is a reasonable and necessary requirement for any permit applicant.

We encourage you to support this bill.

Thank you.
