

***Action Alert : Support SB 1924**

Senate Bill 1924, which requires TCEQ to report its progress on cleaning up the air in communities on the Air Pollution Watch List, is scheduled to go to the Senate floor this week, with a vote possible Thursday or Friday. We urgently need your support for this bill.

Please contact your Texas Senator, identify yourself as a constituent, and ask that he or she SUPPORT [SB 1924](#) (Gallegos). Also, express your support for enforceable ambient standards for air toxics. These standards will give TCEQ another tool for reducing toxic air pollution.

Local Leagues should also write their senators encouraging them to support SB 1924.

Here is how to do it:

Log on to the State Senate website at <www.senate.state.tx.us>
Click on "Senators" → then Directory → then the name of your senator.
Then get the phone number or click on the "send email" on the page.

If calling, you can ask to talk to the Senator or their aide that handles the specific issue, in this case "Elections" or you can leave your message with the clerk:
